The Victorian Farmers Federation will be celebrating Ag Day with tastings from some of Victoria's best producers. You can help support farmers facing drought by contributing to the VFF's Disaster Relief Fund.

By donating you'll receive a **FREE** tote bag that you can fill full of cheese, salami, honey, fruit, veg, beef, lamb, butter, gin and vodka, available from stallholders. You can also enter the draw to win a prize kindly provided by the Victorian Farmers' Markets Associations and the market stalls present at the event.
